

## Christ the King Catholic School

### Sports Funding 2017/2018

**Number of pupils on roll: 319 (Year R to Year 6)**

**Total Sports Grant allocation: £18,710**

In April 2013, the Government announced a new initiative for Physical Education (PE) and Sport. The School Sport Premium is a fund allocated to every Primary School as a legacy of the London Olympic Games. This was designed in order to promote a healthy lifestyle and improve the quality of PE and Sport within Primary schools.

Primary schools are given autonomy on the allocations of the funding to improve the quality and breadth of PE and sport provision. These areas include; increasing participation in PE and Sport, developing the quality of teaching within the subject, creating an inclusive whole school ethos in encouraging all pupils to live a healthy lifestyles and to reach the performance levels they are capable of.

| <p><b>Impact Statement</b></p>  |                       |
| <p><b><u>Impact statement:</u></b></p> <p>For our provision of Physical Education throughout the last academic year, we were awarded with the Sainsbury’s Schools games Gold Mark. Annually at Christ the King, we pay for Youth Sports Trust membership which provides us with Physical Education resources and CPD opportunities. In addition to this, we enter into the BSSA sports events which take place throughout the academic year. This allows our sports teams to participate a number of Level 2 and 3 Sainsbury’s School sports competitions including: football, netball, tag rugby, tennis, basketball, cricket, rounders and athletics. Due to the experiences the BSSA membership has provided our children with, we have been extremely successful in a number of Level 2 competitions.</p> <p>Not only do we provide many opportunities to participate in Level 2 (Inter-school) and Level 3 (County) events but we also provide our children with chances to compete at Level 1 (Intra-school) competitions. These include our annual sports day and extra-curricular clubs. Through our membership to BSSA, we were able to send various Year 5 children to attend Primary School Bronze Ambassador Training. This enables the children to train to be a young sports leader and give them an understanding of how they could have an impact in our school. These sports leaders have helped with running activities at lunchtimes and have taken an active part in running EYFS and KS1 Wake and Shake every Friday.</p> <p>Part of the Sports Grant is spent towards replacing damaged sports kit and providing a wider range of equipment to aid the learning of our children. We also use the sports grant to supplement the cost of transport to sporting events such as our weekly KS2 swimming lessons. Throughout the Spring term.</p> <p>We have been promoting healthy lifestyles for the children this year and we now have a ‘Fit Friday’ every Friday. Children and staff come to school in PE kit on a Friday and Year 6 leaders have been running a wake and shake activity every Friday morning for KS2, which has been very successful. Each class have also been running a mile each Friday which has really motivated many children in becoming more fit and healthy through regular exercise. A ‘Change 4 Life Club’ (Adventure Club), is ran every morning before school at 8.15am-9.45am. This club allows children who are ‘less active’ to engage in physical activity and work towards long-life participation in sport. We also provide free sports extra-curricular clubs which are rolled out through the academic year. In Summary: From the sports premium grant we have been able to enhance the quality of P.E. and sport within the school. Therefore, we can provide a comprehensive P.E. curriculum and extra-curricular timetable which is accessible for all of our pupils.</p> |                       |

**In the future we intend to use the funding to:**

- Purchase quality gymnastics equipment to supplement and aid the curriculum in order to enhance children's skills in this area.
- Promote and devise an intra-school (Level 1) competition timetable to provide children with positive competitive experiences in sport.
- Membership of the Bournemouth Schools Sports Association (BSSA)
- Provide cover for teachers to receive professional development in PE and to supervise sporting events.
- Enhance PE and dance equipment and resources.
- Subsidize transport, pool hire and swimming instruction for pupils in KS2.
- To continue to engage the least active pupils in extracurricular clubs at lunchtimes and afterschool.
